Analysis

Gameplay

In Brawl Stars, players battle against other players or AI opponents in multiple game modes, where each one have different objective. Players can choose between characters called Brawlers that they have unlocked through Boxes, the Brawl Pass, the Trophy Road, or purchased through the Shop to use in battles.

Summary of genres

Game is based on Moba genre where two teams of players compete against each other on a predefined battlefield. Moba is closely related to the action where both teams are trying to win.
